

SUPPORT YOUR LOCAL NON-PROFIT COMMUNITY FILM ARTS CENTER

The Athens Film Arts Institute (AFAI) is a local non-profit organization with an educational mission that supports Ciné in its programming of exceptional films and other media. AFAI ensures that Ciné – with its location in a historic building downtown – can continue its unique and vital role in Athens' cultural life as a community arts center.

AFAI's work is made possible through your participation. Your membership or donation will support Ciné in its new non-profit format. Your contributions to AFAI, which has 501(C)3 status, as a member, patron, or corporate patron are tax-deductible. One more good reason among many to join Ciné!
